## CARER GRANTS

The EMCR Forum will award a limited number of carer grants of around \$500 up to a maximum of \$1,000 (GST inclusive) each to encourage and enable the attendance of parents (female or male) with young children and other primary carers to attend Science Pathways. The funding can be used to support airfares for a partner or carer to travel to the venue, or a carer to travel to home location and additional childcare costs or carer costs (out-of-pocket costs only).

The award recipients can claim expenses up to the limit as a reimbursement on submission of receipts.

These grants have been generously sponsored by the University of Canberra and are open to all applicants regardless of affiliation. If you would like to apply for these grants please answer the relevant questions during the registration process.
