Disclosure Register

Name:

Peter McIntyre

FUNDING SOURCES

(please list: e.g. ARC, NHMRC)

Organisational funding is received from the Australian and New South Wales governments, the Sydney Childrens' Hospital Network, the University of Sydney, the National Health and Medical Research Council, the Australian Research Council and Foundation for Children. In kind support for the conduct of NHMRC funded clinical trials has been received from Glaxo Smith Kline and Pfizer and for the conduct of serosurveillance studies from Glaxo Smith Kline and Merck Laboratories. The clinical trials group has conducted sponsored multi-site studies for a range of vaccine manufacturers but I have no personal role in these trials.
