

EMCR engagement events around Australia

YOU ARE INVITED!

The Early- and Mid-Career Researcher Forum of the Australian Academy of Science launches its new identity and invites you to a networking event in your area.

MELBOURNE

Thursday 30 October, afternoon tea 3.00pm – 4.30pm

Rydges on Swanston, 701 Swanston Street, Carlton VIC

Speaker: **Ms Leonie Walsh**, Lead Scientist of Victoria

RSVP to sarah.barter@rmit.edu.au before 28 October

The EMCR Forum is the voice of Australia's future scientific leaders.

We represent researchers who are up to 15 years post-PhD across science, technology, engineering and mathematics, providing a vital connection between Australia's most eminent scientists and tomorrow's future scientific leaders.

We advise the Australian Academy of Science on policy issues, provide recommendations to government and decision makers, and engage with funding bodies. We advocate for what is most important to EMCRs including gender equity and diversity, job security and funding, education and professional development, and engagement with the industry and innovation sector.

BE THE CHANGE YOU WANT TO SEE, ADD YOUR VOICE TO THE EMCR FORUM
