QEII Medical Centre, 6 Verdun St, Nedlands**

The Chief Scientist will speak about how young researchers can contribute to Australia.

RSVP to Carl White, carl.white@perkins.uwa.edu.au by 31 August

THE EMCR FORUM IS THE VOICE OF AUSTRALIA'S FUTURE SCIENTIFIC LEADERS

The EMCR forum champions improvement in the national research environment through advocacy. They focus on sustainable and transparent career structures, gender equity, stable funding policies, career development opportunities, and raising awareness of issues facing the future of science. The EMCR Forum provide recommendations to decision makers like the Australian Academy of Science, government and funding bodies.
