

Science Pathways 2015

Effective science communication for EMCRs

'The Braggs' Lecture Theatre, University of Adelaide, 23–24 April 2015

**PROFESSOR
TANYA MONRO**

Australian Research
Council Georgina
Sweet Laureate Fellow
Deputy Vice Chancellor
Research and Innovation,
University of South Australia

**BEN
CHUWEN
KEYNOTE
SPEAKER**

Open to all EMCRs and senior scientists, as well as representatives from industry and government.

Effective communication of new scientific ideas and breakthroughs to the wider community can be a real challenge for many scientists.

Science Pathways 2015 will be an opportunity to learn new skills in the important area of science communication. This may also open up new career opportunities for EMCRs looking to use their research experience in a different way.

Visit www.science.org.au/emcr-forum to learn more about the EMCR Forum and the Science Pathways meeting.
